Non Standard RAL or colour match + £66 per radiator, wholesale price. If you would like a colour match chip service for sign off, they are £21 + VAT wholesale.

To convert heat output to BTU/hr multiply the figure shown for watts by 3.412

Towel rails can be added at an additional cost of £111

All heat outputs in this list are calculated in accordance with BS EN442, based on a Delta T of 50°C - for an explanation of this and to calculate performance at different Delta Ts please see the technical pages in the brochure or on the website.

Connections are 1/2" BSP opposite end side unless otherwise specified

Bottom connections can be specified for £66 extra per radiator

All Eskimo products are manufactured in the UK. If you require export packaging, this is £35 wholesale. Standard carriage in the UK is £25 per radiator.

Non Standard RAL or colour match + £66 per radiator, wholesale price. If you would like a colour match chip service for sign off, they are £21 + VAT wholesale.

To convert heat output to BTU/hr multiply the figure shown for watts by 3.412

Towel rails can be added at an additional cost of £111

All heat outputs in this list are calculated in accordance with BS EN442, based on a Delta T of 50°C - for an explanation of this and to calculate performance at different Delta Ts please see the technical pages in the brochure or on the website.

Connections are 1/2" BSP opposite end side unless otherwise specified

Bottom connections can be specified for £66 extra per radiator

All Eskimo products are manufactured in the UK. If you require export packaging, this is £35 wholesale.

Standard carriage in the UK is £25 per radiator.
