Largest panel size for Outline radiators is 2200mm - for a 95mm D model / 2300mm - for a 50mm D model.											
Under the Lot 20 Ecodesign compliance, all electric products must incorporate controllability. However if you select hard wire fuse spur as your installation, we can provide radiators without integrated receivers & controls.											
Towel hanging rails (4mm thick / towel rail gap 45mm / protruding 50mm overall) can be added to all radiators - £213 per rail											
Special connections - £110 - Please enquire for the options available from eskimo											
If you require export packaging, this is £60 (no selling terms applied). Standard carriage in the UK is £49 per radiator. Please see eskimo's carriage cost calculator for all other quantities and locations. (No selling terms applied).											
All Eskimo products are designed & manufactured in the UK, by Eskimo.
