All heat outputs in this list are calculated in accordance with BS EN442, based on a Delta T of 50°C - for an explanation of this & to calculate performance at different Delta Ts please see the technical pages in the brochure or on the website.

Connections are 1/2" BSP opposite end underside unless otherwise specified

All Eskimo products are designed & manufactured in the UK, by Eskimo.

If you require export packaging, this is £45 wholesale. Standard carriage in the UK is £35 per radiator.
